LOADMASTER™ CARGO MANAGEMENT SOLUTIONS

BED SYSTEMS

LoadMaster™ Bed Systems offer a unique collection of fully engineered cargo management solutions that provide easy access to your cargo. With multiple designs for recreational and commercial applications, LoadMaster™ Bed Systems make your pickup truck more efficient and versatile with a variety of sliding storage systems.

SD

The LoadMaster™ Standard Duty system features an exterior-grade wood deck that is covered in all-weather carpet material or optional rubber mat.

HD

The LoadMaster™ Heavy-Duty system features all steel construction, and is coated in rugged spray-on bed liner material.

CP

The LoadMaster™ Composite Bed System is the only cargo management system with an all-fiberglass deck. This allows for lighter and smoother operation with the same high weight capacity of our Standard Duty system.

Cap Pack

Cap Pack is a lightweight aluminum storage drawer that raises and locks into a sturdy elevated steel frame mounted to the inside top of the cap to allow full use of truck bed.

StorMaster COMBO

The StorMaster Combo combines two secure and compartmentalized drawers beneath a 57" wide LoadMaster™ Sliding Bed System to provide ultimate storage capabilities.

ATC Truck Covers designs and builds caps and lids for most late model pickups. Please ask your dealer for exact fitment requirements, and visit our website for more details.

The Best Truck Caps and Lids Since 1994

We've been building quality truck caps and lids in the USA for more than 25 years. ATC was an early pioneer that designed some of the first fiberglass tonneau covers.

ATC Truck Covers designs and builds affordable cutting edge truck caps and lids that don't sacrifice on quality. Today, ATC is the Number 1 choice for fully customizable truck caps and truck lids. With hundreds of color options and tons of accessories, it's no wonder customers choose ATC over the competition.

ATC Truck Covers Limited Lifetime Warranty

These warranty policies apply to truck covers and truck lids made by ATC Truck Covers. For your warranty to be valid, you must register your purchase with our records center. The ATC

Truck Covers Limited Lifetime Warranty applies to structure and paint for the original owner of the original vehicle. The Warranty also covers all components for three years. Please ask your dealer for more details, and see the full coverage of our warranty on our website.
